AN OFFER YOUR CLIENTS CAN'T MISS...

Holders of a Blue Cross disability insurance

In case of accident and illness, Blue Cross offers your clients who are holders of Blue Flex or Tangible disability insurance since October 18, 2008, a mortgage disability insurance with the same acceptance conditions for an equivalent or lesser amount.

New Blue Cross insurance holder

To the newly insured who applies for Blue Flex or Tangible disability insurance in case of accident and illness, Blue Cross offers mortgage disability insurance with the same acceptance conditions, for an equivalent or lesser amount.

Clients with disability insurance with other insurers

For your client who holds a disability insurance in case of accident and illness for less than 12 months with an other insurer, and whose case has been analyzed and accepted by the underwriting department, Blue Cross offers a mortgage disability insurance with the same acceptance conditions for a maximum amount of \$2000.

The holder will have to provide a copy of the insurance policy.

As simple as it gets

To take advantage of this offer, your client simply has to sign a form stating that his or her state of health has not changed since the date of signature of the existing disability insurance application.
